

Hospice Assistance Program

The *Hospice Assistance Program* offered by **TributeDirect™** was created to enhance the care provided by hospice organizations and to give families with a loved one in hospice care an affordable alternative when making end-of-life decisions.

How the Program Works:

- An authorized representative from the hospice organization completes a Hospice Enrollment form and returns it to **TributeDirect™**. The organization is then added to **TributeDirect's™** preferred hospice organizations.
- When assisting individuals and families with end-of-life decisions, the hospice caregiver may refer them to **TributeDirect™**, where they will receive a discount of five percent (5%) off of our superior funeral products, which are already priced up to 40% to 70% less than traditional funeral home and cemetery pricing. (Discounts are based on the advertised retail price of a product and exclude any shipping, handling, design, cemetery, and/or installation fees or any other fees that may apply.)

NOTE: Certain other conditions may apply. Program may be changed and/or terminated without notice.
